

WHEN IT COUNTS

160mm

ULTIMATE VERSATILITY WHOLE NEW LIGHT

With 6.3" of travel, these go-anywhere, do-anything forks start at a scant 4.47 lbs*. Our 2011 36 160mm FLOAT®, TALAS®, and VAN lineup gets lighter while gaining technology — Kashima coated upper tubes, FIT™ RLC damper, 2-position TALAS, inverted RC2 damper, and more. Your search for the do-it-all fork is over.
